

## DANCE FLOOR SIZE GUIDE

When choosing a dancefloor size, it is usually safe to assume that about 30% of your guests will dance at any given time. With that being said, you know your guests and they type of event you are having best. Take into consideration the crowd and the event – Think about whether everyone going to be dancing the night away, or chatting up a storm!

### Dancefloor Size Chart

Total # of Guests	Total # of Dancers	Size of Dance Floor	Square Ft
60	20	10ft x 10ft	100
100	30	12ft x 12ft	144
150	50	16ft x 16ft	256
200	70	18ft x 18ft	324
275	90	20ft x 20ft	400
400	140	25ft x 25ft	625
600	200	30ft x 30ft	900
1000	350	40ft x 40ft	1600
1500	550	50ft x 50ft	2500
