

FAIRY LIGHT CURTAIN

Details

Indoor curtain lights are easy to put up, simply hang from the top string and let them drop. They look great behind sheer drape to create a sparking waterfall effect.

Product Specifications

- **Dimensions:** 32" wide x 12' high / 3" gap between each strand
- **Weight:** <3lb
- **Number of Lights per curtain:** 288
- **Light type:** LED
- **Power input:** 120V 60Hz
